2. Educational Level

1 上

The applied educational level in DUT must be consistent with the applicant's educational level in their own country at the current stage;

2

The Chinese Language Training Program accepts applications of bachelor, master and Ph.D educational period.

3. Teaching Language

1 HSK 180 HSK 180

The applicants need to hold HSK4 certificate (above180) for majors related to Sciences & Technology, Economics & Management, and need to hold HSK5 certificate (above180) for majors related to Chinese, Foreign Languages, Humanities & Social Sciences

2

The Chinese Language Training Program accepts applications with zero-level Chinese foundation.
